Fellow bar members,

As a former public defender, I deeply understand how important it is for people with legal problems to have access to high-quality representation regardless of income level. My experience in providing indigent criminal defense was what motivated me to first seek this board position six years ago.

It's been an honor to serve ALSC in this capacity. As an alternate member I don't get called to sub in very often, but when I do it is rewarding to play a small part in facilitating ALSC's important work. I would enjoy and appreciate the opportunity to continue serving ALSC as an alternate board member.

Sincerely,

A handwritten signature in blue ink, appearing to read "AD", with a horizontal line extending to the right.
