

# **Alaska Bar Association Approved Provider List**

Updated December 31, 2025

If a provider is on this list, the provider is deemed approved. Approved providers are permanently approved unless otherwise revoked. If an Alaska Bar member completes a program presented by an approved provider, neither the bar member nor the provider needs to contact the Alaska Bar for accreditation. The program is "pre-approved."

If a provider is not on this list, then the provider is not approved. Non-approved providers need to submit an application form for CLE accreditation for any program. The Alaska Bar uses the Uniform Application Form.

Live CLE seminars, telephone seminars, on-line programs, videotapes, and audiotapes provided by any of the organizations below count toward fulfilling the Alaska Bar MCLE Rule.

Any in-house CLE offered by any of the organizations below also counts toward fulfilling the Alaska Bar MCLE Rule.

## **Federal Organizations**

U.S. District Court
