

Fastcase announces a new citator— Cert!

Cert, a cutting-edge negative citator tool for Fastcase, empowers legal researchers by swiftly and effortlessly identifying cases that have been treated unfavorably in subsequent decisions, thus providing a comprehensive perspective on a case's precedential value.

Fastcase is an AK Bar member benefit and subscribers can use Cert of cases from the Supreme Court of the United States, Federal Circuit courts, Alabama, California, Florida, Georgia, New York, Nevada, Washington, Texas and Alaska.
