## Candidate Statement of George W.P. Madeira

### Alaska Legal Services Corporation—3rd District Alternate Board Member

As a public defender for 12 years, first in Minneapolis, and for the past six years at the Public Defender Agency, I share ALSC's mission to provide the best representation I can to people unable to afford a lawyer. I deeply admire the work done by ALSC's attorneys, which is often urgent and always vital. It would be a privilege to be able to contribute to the organization that supports this work. While in Minneapolis, I served on the board of a community bail fund, the Minnesota Freedom Fund. I appreciated the perspective it gave me, as well as the opportunity to think about how to sustain the work of an organization I believe in. I would be honored to have the same opportunity as an alternate board member for ALSC.
