Statement of Candidacy

My name is Grace Lee, and I am running for the 1st Judicial District Board of Governor position. I have been an attorney in Alaska for 13 years, with the last ten in the 1st Judicial District. I love living in Juneau, and I am dedicated to furthering the interests of our local and larger legal community. My current role as an Assistant Attorney General and my prior position as a public defender have afforded me the opportunity to uphold the principles of justice, fairness, and compassion in all aspects of my legal career.

I was inspired to run after the most recent Diversity Commission Report revealed a lack of diversity amongst Alaska's attorneys, specifically in leadership positions. As an immigrant BIPOC attorney, I understand the importance of having diverse perspectives. I believe that diversity is key to building a stronger legal community, where everyone's voice is heard and valued. If elected, I will advocate for initiatives that promote diversity and inclusion within the Alaska Bar Association.

Additionally, I have always had a passion for public service, and I see serving on the Board of Governors as continuation of public service. If chosen, I will work to expand and advance the Alaska Bar Association to better serve our members.

Thank you for considering me as a candidate. If elected, I will proudly represent the 1st Judicial District.

Sincerely,

A handwritten signature in cursive script that reads "Grace G. Lee". The signature is written in black ink and is positioned above the printed name.
