STATEMENT OF CANDIDACY

My practice for the past fourteen years has primarily involved litigation in Alaska's court system. For the first nine years I worked for the Public Defender Agency in a trial role and for the past five years I have been in private practice. While I have lived in the Fourth Judicial District nearly my entire time in Alaska, I have appeared before judges in every judicial district and both the Alaska Supreme Court and Court of Appeals. In addition I have appeared before the Judicial Council as an applicant. These experiences have given me a solid foundation from which to help the council accomplish its work of nominating qualified applicants to the Alaska Court System. I would be honored to have your support to become a member of the council.
