

SUMMER INTERN HOUSING NEEDED

FOR STATE OF ALASKA LEGAL INTERNS

The Attorney General's Office, Civil Division, is seeking housing leads.

Duration: **10 Weeks**

Approximate Date Range: **May 18 to August 7, 2026**

Our interns are up-and-coming professionals—law students from across the country—who are excited for public service and to experience the beauty of Alaska.

We're looking for welcoming and affordable housing options such as:

Guest Rooms / Suites / Flats

Short-term Rentals

Airbnb-style Accommodations

This is a great opportunity to support these bright, motivated individuals and share your love of Alaska's outdoors and community spirit. Many interns are eager to meet locals who enjoy hiking, fishing, kayaking, and exploring the Last Frontier.

The Department of Law will share your housing information with interns for their consideration. All arrangements will be made directly between the intern and the property owner/host.
