I am honored to have served on the Alaska Legal Services Corporation Board as an attorney member from the First Judicial District since 2014. I am grateful for those who have nominated me to continue that service. For the past nine years, I have also served as Vice-President. As a lifelong Alaskan, I have had many opportunities to see how critical the services ALSC provides are to promoting the well-being of Alaskans and the institutions that serve our State. It not only provides stellar representation to individuals but also develops and promotes new models of legal services delivery that extend access even further. I hope to be able to continue to serve on the Board and to be able to be a part of the continuing progress it will make in our State.

Myra M. Munson
