Re: 4<sup>th</sup> Judicial District ALSC Board Member – Alternate

To Whom It May Concern,

I am applying for the Alternate Board Member position on the Alaska Legal Services Corporation (ALSC) Board of Directors representing the 4th Judicial District. My interest in serving on the ALSC Board is driven by a deep commitment to the principle that all Alaskans deserve equal access to the civil justice system. Far too often, low-income individuals face serious, life-altering challenges that could be prevented or mitigated with timely legal assistance. ALSC plays a critical role in addressing these inequities and advancing justice and fairness across our state.

Through my work at Tanana Chiefs Conference and my collaborative efforts with ALSC, I have gained valuable experience in considering complex issues from multiple perspectives to make informed, balanced decisions. I understand the impact that board-level decisions have on an organization's effectiveness, and I fully recognize the ALSC Board's responsibility to the communities and clients it serves. I am committed to supporting ALSC's mission and ensuring that it remains a strong, accessible, and well-governed provider of civil legal aid.

It would be an honor to serve on the ALSC board.

Sincerely,
