Re: Federal Judicial Vacancy, District of Alaska

Dear Senator Murkowski,

Thank you for the opportunity to submit a letter of interest for the open federal judicial seat in Alaska. I would be honored to serve in this position and continue to work on behalf of justice in our great state.

The importance of the rule of law in the pursuit of justice cannot be overstated, and I have dedicated my career to this principle. I see firsthand, every day, the positive impact the judiciary has on the lives of our fellow Alaskans and fulfilling this responsibility would be a great honor. As U.S. Attorney I have had the opportunity to travel the state visiting our villages and towns and talking to our citizens to address the plagues of violence against women and children, fentanyl poisoning, and fraud that robs the neediest among us of desperately needed services. Through this work I have gained an even deeper understanding of the problems we face and the solutions to address those problems, all of which will serve me well on the bench.

My commitment to the community and to the Bar is evidenced by my deep involvement in many Alaska organizations, including serving as a board member and officer for the Alaska Community Foundation, the president of the Alaska Chapter of the Federal Bar Association, the Founder and Chair of the Alaska Bar's Public Contracts Section, and as an officer of the Anchorage Association of Women Lawyers.

I have extensive experience in federal and state court litigation, representing the United States for 20 years in public service and corporate clients for 15 years in private practice. I have developed a balanced perspective that allows me to recognize the validity of disparate viewpoints and arguments, treat all with dignity and respect, and resolve problems with fairness and efficiency. This discernment will allow me to serve as a just, balanced, and effective federal judge.

If I can provide additional information or you have any questions please do not hesitate to contact me, and thank you for your service to Alaska and to the nation.

Very truly yours,

/s/

S. Lane Tucker
